

A little bit of luxury for your home

SLIP RESISTANT | DURABLE | EASY CLEAN | HYGIENIC

Agrippa is an innovative vinyl flooring designed to give performance in the home and a little affordable luxury.

Agrippa is a slip resistant performance Vinyl. Coated with GripX PU surface technology it has a slip resisting standard of R10, reducing the potential for slipping in bathrooms, kitchens and utilities or any where liquid may get spilt. It does not mean you will not fall down but it is less likely.

The PU varnish does not have pores or indentations to trap dirt. It is hygienic and easy to clean, has good scratch resistance and with its thick compact foam backing has effective sound deadening properties.

Agrippa is available in 2m, 3m & 4m widths.

Slip Resistant Surface (R10 Rated)

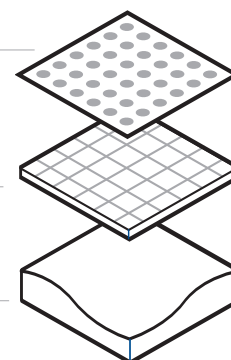

- R10 rated GripX slip resistant technology
- Hygienic & easy to clean PU surface coating
- Helps stop the spread of dirt & bacteria

Glass Fibre Interlayer

- Gives excellent dimensional stability
- Resists stretching

Compact Foam Backing

- Sound insulating: 19dB rating
- Warm & comfortable

4m - 1432

Making your home safer & cleaner!

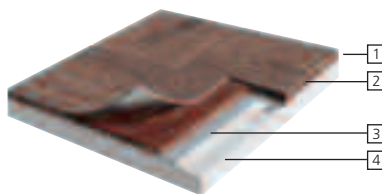

Most standard slip resistant flooring uses a method of texturing the surface of the vinyl. When it comes to cleaning your floor, excess dirt gets trapped in the pores.

Agrippa uses a special PU varnish layer that doesn't trap excess dirt - making cleaning easier and your home more hygienic!

Agrippa Specification

	Total thickness:	EN 428	ca. 3.00 mm
	Wear layer:	EN 429	ca. 0.25 mm
	Surface finish:	N/A	GripX
	Backing:	N/A	Compact Foam
	Width:	EN 426	2 / 3 / 4 m
Usage:	Length:	EN 426	15 / 30 m
	Weight:	EN 430	ca. 1725 g/m ² (M3/B1)
	Fire classification:	EN ISO 9239-1	Cfl.S1
	Guarantee:	N/A	10 years
	Colour Fastness:	EN 20105-B02	≥ 6 °
	Sound Insulation:	ISO 140-8	19 dB
	Scratch Resist:	EN 660/1	group T
	Slip Resistance:	DIN 51.130	R10 class

1. Clear PVC wearlayer with special GripX surface
2. A printed, textured, expanded PVC layer
3. Glass fibre interlayer with dimensional stability
4. Compact backing foam.

Due to printing limitations there may be variations between colours of the actual flooring and the samples shown on this document.
