TARAFLEX® SPORT M PERFORMANCE

“ SLT chose Gerflor’s Taraflex® because it’s a market-leading product that provides a flexible, easy maintenance flooring which is suitable for a wide variety of sports and community activities ”

Mark Wildman, Marketing Manager,
Sandwell Leisure Trust (SLT)

Sandwell’s newest sport, swimming and fitness facility located in the heart of Wednesbury boasts a plethora of facilities including two deck-level pools, a seventy-five station fitness gym, dedicated spin studio, two dance studios hosting a wide range of fitness classes, and three court sports halls.

With quality top of the SLT agenda they would need the very best possible flooring for their sports hall which could deliver performance, safety and comfort. It would be an ideal opportunity for international interiors and flooring specialist Gerflor to supply their Olympic-standard Taraflex® Sport M flooring. The project would consume a healthy 340m² of this high-performing product.

“ The Trusts wider aims are to increase participation in sport and physical activity of Sandwell residents and to develop opportunities to engage and encourage inactive people and the wider community to use and enjoy sport and leisure in Sandwell ”

Mark Wildman, Marketing Manager, Sandwell Leisure Trust (SLT)
