POLO FARM SPORTS CLUB, CANTERBURY  
TARAFLEX® SPORT M PERFORMANCE

“ Our primary aim when specifying the floor was to provide a world class surface for both indoor hockey and cricket. The Taraflex Sport M Performance floor has now been down for over 2 years and we are extremely pleased with it ”

Jayne Scott-Kilvert, Manager,  
Polo Farm Sports Club

In the spring of 1977, when the Ford Fiesta was first launched, and Fleetwood Mac's album Rumours hit the charts, Bill and Dick Laslett purchased an overgrown orchard at Polo Farm, Canterbury, Kent, igniting a sporting dream which turned into a flourishing reality. Today, their facilities have expanded to become a premier sporting venue and centre of excellence and are regularly used by the local community including; Canterbury Hockey, Tennis, Cricket and Croquet Clubs, together with Canterbury Christ Church University, and a host of local schools, local businesses and members of the public.

Their vision of a long-term facility sharing partnership has also enabled them to build a brand new multi-sport indoor centre with thriving junior sections in all their sports, with numbers almost reaching 1000 children. They currently have almost 2000 members across their 6 clubs. The age range of members is spread between 3 and 90. In truth, there's something for everyone.

▀▀ The Gerflor Taraflex flooring also provides a perfect surface for the numerous other sports that are played there including netball, futsal, handball and football. This is the first time we have used Gerflor flooring and we would certainly recommend it to other sports ▀▀
