“ We selected Gerflor flooring for their range, service and quality of the products and would certainly specify them again ”

William Ramsay, CEO,
ProFIT28 Fitness & Wellbeing Centre

ProFIT28 is a 'new concept' fitness and wellbeing centre based at Westbourne House in Leeds. At ProFIT28 they take great pride in being unique to the fitness industry, as they offer an exceptionally high specification facility and personal support at a low membership price.

This approach in only accepting and providing the best performing products would be a perfect fit for international flooring and interiors specialist Gerflor.

“ Taraflex® provided us with a floor covering that offered great impact resistance without losing height of the room. We have had several comments from fitness class instructors saying it's one of the best floors they have ever taught on ”
