

CLIENT: THE ROYAL AUTOMOBILE CLUB, LONDON
SOLUTION: TARAFLEX MULTI-USE 6.2

“ We’ve specified Gerflor flooring many times before. It’s a lovely product to work with. Very easy to lay and extremely trouble-free. In fact, we specify it whenever we can ”

Steve Knight, Director,
Commercial Flooring, Buxtons

The Royal Automobile Club was founded in 1897 with the primary purpose of promoting the motor car and its place in society. Today, the Royal Automobile Club is one of the foremost private members' clubs in the world with a diverse membership, an extensive events programme, and two beautiful and unique clubhouses, alongside first-class accommodation, dining and sports facilities.

Founded in 1919, from a small shop in Brighton, Buxtons is a family-owned and run business providing high quality flooring to a varied cross-section of commercial clients. It's almost a centenary of excellence in high standards of service and quality that would serve them well in providing The Royal Automobile Club with new sports flooring for their fitness centre.

At the Royal Automobile Club in London they have a Technogym system in their fitness centre and the Gerflor relationship in terms of their Taraflex® products is a very good fit for this
