Gym & Fitness Design Experts

Your partner in the gym & fitness world

Gerflor is a global leader in durable, low-disruption flooring for fitness, leisure, and hospitality spaces. Its Taraflex® range is the world's leading indoor sports flooring. Together, Gerflor and Gradus provide high-quality flooring and finishing solutions for all activity levels, with a strong focus on long-lasting, environmentally responsible performance.

Create the ideal environment

You aim to keep members and coaches comfortable, motivated, and loyal. Gerflor & Gradus support this by helping you create a strong community and providing trusted expertise to deliver the best flooring solutions for your customers' needs.

Increase customer loyalty

Competition is tough, and standing out is essential. Gerflor & Gradus help strengthen your brand identity through the right mix of colours and materials, creating an attractive environment that draws people in and turns visitors into loyal members.

Inspire your community

Our solutions will help you create a comfortable and sociable environment. Fitness is more than just training, together we will enhance the modern atmosphere that your members are seeking.

Key considerations required to deliver a successful gym & fitness project...

A European Manufacturer

Gerflor solutions are manufactured in technologically advanced European factories including UK, France, Germany and Republic of Ireland. Manufacturing processes combine precision engineering with strict environmental and quality controls.

An Innovative Pioneer

Gerflor has been delivering Sports Wellness since 1947 with a vast array of indoor sports and multi-purpose cushioned flooring, as well as exclusive installation technologies such as Dry-TEX™ for quick, reliable and low-impact installation.

A Sustainable Producer

As sustainable manufacturers Gerflor and Gradus deliver high-performance flooring and accessories solutions with a commitment to sustainability, embedded across every stage from ongoing innovation in product design and responsible sourcing to energy-efficient European and UK manufacturing facilities and end-of-life recycling programmes.

A Full Solution Provider

Gerflor delivers integrated flooring across every project, that is supported by the Gradus® range of finishing and accessory solutions including wall protection, stair edgings, lighting and trims to offer a complete, durable and safe fit-out package tailored to high-impact fitness and wellness spaces.

A Team Of Specialists

Gerflor and Gradus collaborates with experienced teams and trusted local installation partners to deliver flooring and finishing solutions that meet the highest standards. From planning to completion, our experts ensure every project is executed with precision and reliability.

A Global Leader

With 20 manufacturing sites, 40 subsidiaries and distribution in more than 120 countries, Gerflor delivers trusted flooring solutions at scale. Gerflor products are installed worldwide across thousands of projects each year, supported by the expertise of over 5,500 dedicated professionals.

Select the best products for each zone

Choosing the correct product requires balancing durability, safety, and acoustic performance based on your specific training zones.

Gerflor & Gradus Services

Technical and Specification Support Specialists

Our dedicated specialists can assist you with all your specification needs. Whether it's a refurbishment project or new build, we have the expertise and innovations to create your ideal interior scheme. We work together to propose the optimum solution for the clients' needs, utilising the most appropriate safe, durable and sustainable solutions for the specific applications. We don't stop at just providing specification advice, we can also provide a free site survey where we will visit, assess and audit the facility and make suggestions on improvements to future proof the building interiors.

The Technical Support team is available to offer advice on the specification and installation of products, including guidance surrounding the latest building standards and legislation. Rest assured that Gerflor & Gradus have a world-class pedigree of products that are tried and trusted to deliver every time. All backed up by a network of technical, specification and customer support teams.

Sampling Support Services

We offer a free sample service for all our clients from product overview binders, loose samples to supporting literature. For something bespoke like mood boards or test material, contact us and we will aim to supply the sample for your required need. To request a sample, literature, or anything else call 01625 428922 or email contractuk@gerflor.com or imail@gradus.com.

Local stock

We stock our best-selling product ranges locally in the UK. Our warehousing and distribution facilities in Winsford and Macclesfield offer a broad range of in-depth stock to provide an enhanced service level. Essential when time is of the essence and our customers need innovative products and fast delivery for essential quick turnaround projects. Speak to our education specialists for stock availability or further information.

Specification Documents and BIM Objects

NBS provides access to a single source of product information and BIM objects for Gerflor & Gradus products. NBS Source provides an additional level of enhanced product data in a consistent, structured format that will integrate seamlessly into your project workflow.

Lunch & Learn Sessions

Our specification experts are available to help with developing knowledge surrounding Flooring, Barrier Matting, Wall Protection, LED Lighting, Stair Edgings and Floor Trims.

For something less formal than a traditional CPD, a Lunch & Learn session with our specialists can be arranged at a time and date to suit you and people can drop in as they wish to discuss our products generally or address specific project requirements.

To book a Lunch & Learn session, contact our Technical Support team on 01625 428922, email contractuk@gerflor.com or imail@gradus.com.

Accreditations and Certifications

Gerflor

CPD's and Training

As members of RIBA CPD Providers Network, we offer a full range of RIBA assessed and approved CPD seminars covering: Vinyl Flooring, Sports Flooring, Matting, Wall Protection, Stair Edgings and sector specific CPD's such as Healthcare and Industry.

To book a CPD Seminar, contact our Technical Support team on 01625 428922, email: contractuk@gerflor.com or imail@gradus.com.
